GRAMOPHONE  
THE WORLD'S BEST CLASSICAL MUSIC REVIEWS

**"So addictive is the sound of this headphone/amplifier combination"**

- The combination of the **comfort of their fit** and their **expressive sound** makes it almost possible to **forget that you're not hearing a pair of fine speakers**, but instead enjoying a **more intimate listening experience**.

audio & vision online

**"The illusion of presence prevailed excellently"**

- It made **extremely straightforward, neutral, untouched amplification**, that is, he fulfilled his developer's promise. It was not cold, warm, dark, shiny, **simply rendering the signal without coloring**. We have won a **better unfolding, a looser and more realistic design**.
