

M8s PRE

Magazine	Country	Review Quote	Conclusion
 	USA	<p>I often felt like I had taken another step closer to the music and I could hear just a little more of what was happening in the recording.</p> <p>VISIT THE WEBSITE</p>	
 	United Kingdom	<p>Musical Fidelity are on to a winning formula with the M8sPre and M8s500s. Its no-nonsense exterior belies a very capable amplifier under the skin with the clarity, grip, and, control to challenge many a more expensive amplifier in fancier clothing. WATCH THE VIDEO</p>	
	Germany	<p>This preamplifier is free of self-sound, very wide-band edands and clean with decent dynamics.</p> <p>The symmetrical connection ensures an even more bodily, more harmonious sound.</p> <p>Soundquality: outstanding</p>	
	Germany	<p>It knows how to convince in theory and practice. The strictly symmetric preamplifier meets all requirements that can be placed on an audiophile representative of its kind.</p>	
	Germany	<p>The clarity of the Musical Fidelity M8s-PRE's playback capabilities is remarkable. So much musical information reaches the ear, completely without the feel of being ever overwhelmed. The sonic image is always vivid and well sorted.</p>	

M8s PRE

	United Kingdom	"Great attention to detail!"	Highly Recommended
 	Poland	This sound has „something“, sometimes even magnetizing. The M8 combo sounded more direct, dynamic, free and clean . A mature, stable and versatile sound with a unique satuveibility that gives music not only a seriousness , but primarily naturalness .
