

M8x TT

| Magazine | Country | Review Quote | Conclusion |
|---|---------|--|---|
|  | UK | A masterclass in taking a classic design and bringing it right up to date. Superbly built and very fine sounding . |  |
|  | Germany | The Musical Fidelity M8xTT with its 10-inch arm and play-free bearing is a true joy-maker . This listening pleasure is not cheap, but well worth the money . | |
