| <b>hi-fi</b> the home of real hi-fi<br>& Record Review | United Kingdom | I'll wager it will win many new fans.<br>Adding in a <b>superb range of facilities</b><br>and <b>Herculean build quality</b> , the unit<br>merits a <b>recommendation that is as</b><br><b>glowing as its illuminated nuvistors.</b>  | hi-finews<br>outstanding<br>PRODUCT |
| FWD  | Netherlands    | Musical Fidelity goes for <b>absolute aut-<br/>henticity</b> ; there is <b>less colouration</b> and<br><b>greater neutrality</b> . A phono preamplifier<br>that <b>leaves no stone unturned</b> and will<br><b>satisfy the most discerning vinylistas</b> .   |                                     |
| <b>SoundStage!</b>                                     | Australia      | This is without a doubt, one <b>the best</b><br><b>pieces of hi-fi equipment</b> I have had<br>my hands on, period. A <b>well-balanced</b><br><b>and deeply engaging soundstage</b> , a<br><b>blissful array of subtle, detailed nuan-</b><br><b>ces and layer upon layer of divine inst-</b><br><b>rument separation.</b> If you can afford it,<br><b>this exceptional phono stage is simply</b><br><b>a no brainer.</b> |                                     |
